

Fluent in Five

Daily Arithmetic Practice
Week 5

Year 2

Year 2 - Week 5

Please note, we recommend reading 'Your Guide to Using Fluent in Five' before using these resources with your class.

This week in a nutshell

This week, children will continue to be exposed to the Year 2 content introduced in Weeks 3-5, alongside Year 1 content.

In addition, children will be introduced to adding and subtracting two, two-digit numbers where the answer is above 50 for the first time. At this stage, these calculations will not involve the crossing of the tens boundary.
